

NOTICE

Respected well wishers of St. John's Academy, it is to inform the public that the St. John's Academy being a Christian minority charitable institution, management is admitting the candidates to the school without taking any donation and middle persons interferences. The would be candidates and parents of the same can apply for the admission directly at the school office. The management has not authorised any persons as middle persons in between candidate and the school for the admission. Kindly bring to the notice of the management if someone approaches you for the admission and we will take the action against those persons... Sincerely thanking your wholehearted support and cooperation
